SPONSORSHIP ROUND NOW OPEN

Harvey Water is inviting the local community to apply for its next sponsorship round to assist in bringing value and economic growth back into the community.

Each round is divided into two categories; one supports requests up to \$500 while the second allows a request for up to \$2,000.

Sponsorship guidelines and criteria include;

Category 1 of up to \$500

- Schools and education based projects
- Voluntary organisations that encourage community involvement
- Sporting clubs and sporting projects benefiting the local community
- Environmental and catchment care

Category 2 of up to \$2,000

- Community events – which attract visitors from outside key communities that demonstrate economic impact
- Sustainable environment – projects which demonstrate sustainable solutions to the protection, management and enhancement of the environment
- Community infrastructure – projects which provide long term benefits to the local community with the development of infrastructure and improvement of resources

Being that it will be the first round since the Coronavirus pandemic, Harvey Water is putting more focus on supporting organisations particularly affected.

Harvey Water CEO, Bradd Hamersley said “Harvey Water has a long history of supporting the local communities in which it operates and is very proud of the projects it has been able to assist with over the years.”
